

Insurance that keeps your agency *moving* forward

Running a payroll or recruitment agency comes with its own set of risks - from your business liabilities to cover for contractors and workers

With decades of experience through our legacy brands, we understand these risks inside out. We stay ahead of changes in employment law, tax rules and industry requirements, so your cover keeps pace as your agency grows.

Think of us as your outsourced insurance team

We'll start with a call or face-to-face meeting to get a clear picture of how your agency operates. From there, we'll build a programme around what you need, which may include:

Core Covers

- Public / Products Liability
- Employers Liability
- Professional Indemnity
- Directors & Officers
- Cyber Liability
- Drivers Negligence
- Office Package
- Business Travel
- Company Legal Expenses
- Company Personal Accident

Worker-Centric Covers
